# Indian SUMMIT & AWARDS

**Indian HR Leader Summit and Awards 2019** is not merely an event. It is a movement.

**Join us – alongside 80+ other senior HR professionals**

This summit brings together the best of businesses, HR Leaders, HR experts and HR Technology partners & start-ups all under one roof.

An extravaganza of high-level keynotes, panel debates, Interactive Sessions and networking opportunities.

Whether it's the principles of self-leadership, the impact of AI & automation, performance reinventing or a number of other hot subjects. Indian HR Leader Summit has you covered with the insights you need

## Learning outcome

- Learn what Separates Great HR Leaders from the Rest
- Reimagining HR for 2019 and beyond
- Creating new, really impactful and measurable employee experiences
- Designing programs for a multigenerational workforce

## Why to Attend

- Get practical strategies from the top HR leaders of India
- Identify and improve your skills to become a better HR leader
- The best overview of recent Indian human resources trends
- Discover what it takes to lead your workforce towards ongoing success
- Gain first hand insights from the India's most influential organizations
