

Avoiding Corporate Disaster While Driving Success

Join over 100+ like-minded risk & compliance professionals in this summit, where you will hear and Learn from Industry Leaders and panelists sharing their insight and expertise on delivery, execution and management of risk management frameworks.

Risk & Compliance Summit & Awards 2019 is a fantastic forum for risk & compliance professionals and senior executives to ignite and unsettle their minds, widen their horizons and think differently. Taking them out of their day to day environments, we want people to be inspired, motivated, and empowered through real world stories, heuristic approaches and successes that will broaden the way we see risk and its management
